SINGING TOGETHER
Today's the day we've been waiting for,
Today's the best day of the year.
Tonight's the night we've been dreaming of.
I can't believe it's really here.
Can you touch the tension?
Can you feel the passion?
Can you see excitement in our eyes?
Can you catch the moment?
Remember it forever, as our spirits rise.

Singing together, joining our hearts and voices as one.
Feeling united, getting excited the great day has come.
Music has power deep inside,
bringing a feeling we can't hide,
spreading the message far and wide,
Watch Out World!

We sing the songs of the present day,
We sing the great tunes of the past.
As music's story lives through history,
It's up to us to make it last.
Can you touch the tension?
Can you feel the passion?
Can you see excitement in our eyes?
Can you catch the moment?
Remember it forever, as our spirits rise?

Singing together, joining our hearts and voices as one.
Feeling united, getting excited the great day has come.
Music has power deep inside,
bringing a feeling we can't hide,
spreading the message far and wide,
Watch Out World!

Ay go! Ay go! Ay go! Ay go! Ay go!
Singing together
Ay go! Ay go! Ay go! Ay go! Ay go!
Singing together

Singing together, joining our hearts and voices as one.
Feeling united, getting excited the great day has come.
Music has power deep inside,
bringing a feeling we can't hide,
spreading the message far and wide,
Watch out world!

And oh what heights we'll hit,
On with the show this is it.

FLINTSTONES
Flintstones, meet the Flintstones,
They're the modern stonage family.
From the town of Bedrock,
They're a page right out of history.
Let's ride with the family down the street,
Through the courtesy of Fred's two feet.
When you're with the Flintstones
have a Yabba dabba doo time,
A Dabba doo time, You'll have a gay old time!

SPIDERMAN
Spiderman, Spiderman, Does whatever a spider can.
Spins a web any size, catches thieves just like flies,
"Look out! Here comes the Spiderman!"
Is he strong? listen Bud,
He's got radioactive blood,
Can he swing from a thread?
Take a look overhead.
Hey there! There goes the Spiderman,
Hey there! There goes the Spiderman!

SCOOBY DOO WHERE ARE YOU?

PHINEAS AND FERB
There's a hundred and four days of summer vacation
till school comes along just to end it
So the annual problem for all generations
is finding a good way to spend it
like maybe
building a rocket or fighting a mummy
or climbing up the Eiffel Tower.
Discovering something that doesn't exist
or giving a monkey a shower
Surfing tidal waves, creating Nanobots
or locating Frankenstein's brain (it's over here!)
Finding a Dodo bird. Painting a Continent
or driving your sister insane!
As you can see there's a whole lot of stuff to do
before school starts this fall
So stick with us
'tcos Phineas and Ferb are gonna do it all
So stick with us
'tcos Phineas and Ferb are gonna do it all.

PINK PANTHER TV THEME
Think of all the animals you've ever heard about,
like Rhinoceroses and tigers, cats and mink.
There are lots of funny animals in all this world,
but have you ever seen a panther that is pink? Think!
A panther that is positively pink?
Well here he is the Pink Panther, the Pink Panther,
Isn't he a panther ever so pink?
You'll see that he's a groovy cat,
his intellectual close friends get to call him T. C.

DANGERMOUSE
He's the greatest, He's fantastic,
Wherever there is danger he'll be there,
He's the Ace, He is amazing.
He's the strongest he's the quickest he's the best,
Dangermouse! Dangermouse, Dangermouse!

TOP CAT
Top Cat! The most effectual Top Cat!
Whose intellectual close friends get to call him T. C.
providing it's with dignity,
Top Cat! The indisputable leader of the gang,
He's the Boss, he's the VIP he's the championship,
He's the most Top Top, Top Cat

Na na na na, na na na na, na na na na na!

AFRICA
I hear the drums echoing tonight.
She hears only whispers of some quiet conversation.
She's coming in twelve thirty flight.
The moonlit winds reflect the stars that guide me

I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say
'Hurry boy it's waiting here for you'

Gonna take a lot to drag me away from you.
There's nothing that a hundred men or more could ever do.
I bless the rains down in Africa.
Gonna take some time to do the things we never had.

The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
Sure as Kilimanjaro rises like an Empress above the Serengeti

I seek to cure what's deep inside
Frightened of this thing that I've become.

Gonna take a lot to drag me away from you.
There's nothing that a hundred men or more could ever do.

I bless the rains down in Africa.
Gonna take some time to do the things we never had.

Hurry boy she's waiting there for you,
Gonna take a lot to drag me away from you.
There's nothing that a hundred men or more could ever do.
I bless the rains down in Africa.
I bless the rains down in Africa.

WHY WE SING
A sound of hope, a sound of peace,
a sound that celebrates and speaks what we believe.
A sound of love, a sound so strong.
It's amazing what is given when we share a song.
This is why we sing,
why we lift our voice,
why we stand as one in harmony.
This is why we sing,
why we lift our voice.
Take my hand and sing with me

SHARE THE JOY

PART 1
Soothe a soul,
mend a heart,
bring together lives that have been torn apart
Share the joy
find a friend
It's a never ending gift that circles back again
This is why we sing,
why we lift our voice,
why we stand as one in harmony.
This is why we sing,
why we lift our voice.
Take my hand and sing with me.

Music builds a bridge
It can tear down a wall
Music is a language that can speak to one and all
This is why we sing,
why we lift our voice,
why we stand as one in harmony.
This is why we sing,
why we lift our voice.
Take my hand and sing with me.
This is why we sing
This is why we sing
This is why we sing!

POP GOES THE CLASSICS

A LOVER'S CONCERTO
How gentle is the rain that falls softly on the meadow,
Birds high up in the trees serenade the flowers with the melody
Oh, See there beyond the hill the bright colours of the rainbow.
Some magic from above made this day for us just to fall in love.
Oh hold me in your arms and say once again you love me,
and if your love is true everything will be just as wonderful

STRANGER IN PARADISE
Take my hand I'm a stranger in paradise
All lost in a wonderland, a stranger in paradise.
If I stand starry eyed, that's the danger in paradise,
for mortals who stand beside an angel like you.
Won't you answer this fervent prayer
of a stranger in paradise,
don't send me in dark despair from all that I hunger for,
But open your angel's arms to this stranger in paradise,
and tell them that they need be a stranger no more.

WHITER SHADE OF PALE
We skipped the light fandango,
Turned cartwheels cross the floor,
I was feeling kind of seasick.
And the crowd called out for more.
And the room was humming hotter,
As the ceiling flew away,
When we called out for another drink.
As the crowd called out for more and more.
And so it was later, As the miller told his tale
That her face at first just ghostly
And so it was later, As the miller told his tale
That her face at first just ghostly
And so it was later, As the miller told his tale
That her face at first just ghostly

I CAN
I know I can be what I wanna be.
If I work hard at it.
I'll be where I wanna be.
If the truth is told, the youth can grow,
They learn to survive until they gain control.
They learn to survive until they gain control.
They learn to survive until they gain control.
Nobody said you have to be gangsters.
If the truth is told, the youth can grow,
They learn to survive until they gain control.
Nobody said you have to be gangsters.
If the truth is told, the youth can grow,
They learn to survive until they gain control.

ALTOGETHER NOW

Remember now that your forefathers died
Lost in millions for a country's pride.
Never mention the trenches of Belgium
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.

**KYRIE ELEISON - Chorus Only**

Kyrie Eleison down the road that I must travel
Kyrie Eleison through the darkness of the night
Kyrie Eleison where I'm going will you follow?
Kyrie Eleison on a highway in the light.

**ANYTIME YOU NEED A FRIEND - Chorus Only**

Choruses 1&2
Anytime you need a friend
I will be here
Never be alone again
So don't you fear
Even if you're miles away
I'm by your side
Don't you ever be lonely
Love will make it ok

Chorus 3&4
Anytime you need a friend
I will be here
Never be alone again
So don't you fear
Even if you're miles away
I'm by your side
Don't you ever be lonely
It's alright

**THE CALL**

It started out as a feeling,
which then grew into a hope,
which then turned into a quiet thought
which then turned into a quiet word.
And then that word grew louder and louder,
till it was a battle cry.
I'll come back when you call me.
No need to say goodbye.

Just because everything's changing,
doesn't mean it's never been this way before.
All you can do is try to know who your friends are
as you head off to the war.
Pick a star on the dark horizon and follow the light.
You'll come back when it's over,
No need to say goodbye.
You'll come back when it's over,
No need to say goodbye.

Now we're back to the beginning
it's just a feeling and no one knows yet.
But just because they can't feel it too
doesn't mean that you have to forget.
Let your memories grow stronger and stronger
till they're before your eyes.
You'll come back when they call you,
No need to say goodbye.
You'll come back when they call you.
No need to say goodbye.

**YOU'RE IN THE BAND**

Take a hold of your axe, and try to pluck out this riff.
Let your shoulders relax, You don't wanna be so stiff.
Keep on going don't stop,
Take it over the top,
Squeeze out every last drop,
Make each note really pop!
Give it one final wop and yes!
You're in the band

Turn a cello this way and it's practically like a bass.
Pop the strings when you play and watch how you shred my face!
Keep on rocking its note,
Grab it right by the throat,
Keep the rhythm afloat,
Don't forget to emote,
And that's all that she wrote,
Baby You're in the band

If you play the piano, You can play the keys.
So just loosen it up, and strut your expertise.
Take a look at this music, and let your mind expand.
You're in the band

Sit your butt at the skins, then try to whack out a beat.
Feel the groove in your pins then slowly turn up the heat.
With a Rat-a-tat tat on the bass and hi-hat,
Make it juicy and fat,
Yes exactly like that!,
And now shut it down flat:
You're in the band!

Do do do do do do do do do do do do do do do do
do do do do do do do do do do do do do do

**PART 1**
Now repeat after me I pledge allegiance to the band.

**PART 2**
I pledge allegiance to the band,

**PART 1**
And I promise to give Mister Schneebly full command!

**PART 2**
I promise to give Mister Schneebly full command!

**PART 1**
And with me in control of the band as a whole,

**PART 2**
We will Rock and we'll Roll, with our heart and our Soul,

**PART 1**
If you're in raise your hand!
I'm in the band!
I'm in the band!
I'm in the band!

(You're in the band!)
We're in the band.
(You're in the band!)
We're in the band. We're in the band!
Music is a world within itself, with a language we all understand, with an equal opportunity for all to sing, dance and clap their hands. Just because a record has a groove doesn't make it in the groove, but you can tell right away at letter A when the people start to move.

They can feel it all over, They can feel it all over people. They can feel it all over, They can feel it all over people.

AS Verse 1 Cue Just as all that's born is new you know what I say is true, That I'll be loving you always.

Chorus 1 Until the rainbow burns the stars out in the sky. Until the ocean covers every mountain high. Until the dolphin flies and parrots live at sea. Until we dream of life and life becomes a dream.

Do you know that true love asks for nothing....

Verse 1 Cue Just as kindness knows no shame know through all your joy and pain, that I'll be loving you always.

Chorus 2 Until the day is night and night becomes the day. Until the trees and seas just up and fly away. Until the day that eight times eight times eight is four, Until the day that is the day that is no more!

I WISH Chorus I wish those days could come back once more Why did those days e- ver have to go I wish those days could come back once more Why did those days e- ver have to go 'cos I love them so

SIGNED SEALED DELIVERED Chorus Here I am baby, Signed, sealed, delivered, I'm yours, babe, Here I am baby, Signed, sealed, delivered, I'm yours, babe,

I'M YOURS Chorus So I won't hesitate no more, No more, It cannot wait I'm sure, There's no need to complicate Our time is short This is our fate I'm yours!
